

## PROMOTING THEIR BRAND TO FANS OF ALL MAJOR EUROPEAN SPORTS SUCH AS SIX NATIONS RUGBY & ENGLISH FOOTBALL

Discover the unparalleled engagement and captivating appeal of the Sports Simulator, a cutting-edge solution embraced by industry leaders like Continental Tyres to captivate potential customers. With its visually stunning enhancements, the Sports Simulator transports players to the world's most iconic stadiums, offering them the thrill of participating in various game challenges. Featuring live online leaderboards, the Sports Simulator fosters spirited competition, showcasing the top 10 best scores to inspire and motivate players. Designed to accommodate every major sport, this immersive platform empowers partners and sponsors to capitalise on their marketing efforts by promoting their products and services. Boasting the largest product range in the market, the Sports Simulator also offers tailored game challenges to meet each client's unique needs. With an impressive offering of 60+ sports, 1,500+ game challenges, 3,500+ playable stadiums and many more in development, this ground-breaking platform consistently leads the market with superior graphics and unmatched accuracy. As evidenced by the attached images, the Sports Simulator allows exhibition stand builders to create captivating displays centered around the simulator, ensuring maximum exposure for their clients. This guarantees that their booth will be the star attraction at any event. The Sports Simulator also allows for seamless integration of custom artwork, such as rotating banners, on-pitch signage, video plasma screens, 3D objects, and player kits, making it the ultimate immersive experience. With its intuitive interface, anyone with basic mobile phone skills can effortlessly operate the simulator. Embrace the future of customer engagement with the Sports Simulator a professional, informative and visually stunning platform designed to captivate and inspire.
