

ADVENTURE GOLF SIMULATOR: PLAY IN CUSTOMISABLE WORLDS AND UNFORGETTABLE ADVENTURES TODAY

The Adventure Golf Simulator by Sports Simulator delivers an immersive indoor experience that combines precision gameplay, stunning visuals, and endless variety. With six captivating environments: Jurassic, London, Mars, New York, Parkland, and Riyadh currently available, players can navigate prehistoric landscapes with dinosaurs, explore iconic cityscapes, or tee off on the red planet. Each environment offers 18 holes, providing over 144 challenges to engage players of all skill levels. Expanding its versatility, all environments previously developed for other Sports will also be available on Adventure Golf, including Dubai, Paris, Las Vegas, Moon, Polar, Desert, Christmas, Easter, and Halloween. Players can immerse themselves in a wide range of imaginative worlds, adding incredible variety and excitement to every round. The upcoming neon-themed version, inspired by the Ten Pin Bowling Party Challenge, will introduce vibrant visuals and a thrilling twist to gameplay. Additionally, the simulator is set to feature session play options, enabling users to create personalised avatars, monitor real-time progress, and enjoy tailored experiences at family entertainment centres. With four unique challenge modes testing precision, strategy, and speed, every game remains fresh and dynamic. For those seeking customisation, our in-house development team can create bespoke environments, from fantasy-inspired designs to corporate-branded environments. The Adventure Golf Simulator is ideal for family entertainment centres, corporate events, and unique party experiences. With exciting updates planned for 2025, this simulator continues to evolve, ensuring it meets the highest standards of entertainment.
